

# Logistic Employee Emballage

## Job description: Emballage

Are you someone who thrives on structure, accuracy, and organization? Does working in a logistics environment where precision counts give you energy? Then we are looking for you! We are looking for an accurate and independent employee for our emballage department, who will ensure that our emballage administration is always correct—down to the last cart.

## We are OZ-Hami, nice to meet you

What could be more enjoyable than working with the most beautiful flowers in the world? At OZ-Hami, one of the largest flower exporters in the Netherlands, we get to enjoy this every day. OZ-Hami is the parent company of the traditional Dutch family businesses OZ Export and Hamifleurs, which together have more than 100 years of experience in the international flower trade.

Our motto is "To Flower the World," and with customers in more than 60 countries, we are proud to stand behind it. Our flowers find their way to the flower market in Milan, royal palaces in the Middle East, players at soccer clubs such as Liverpool, and the Formula 1 Grand Prix. And you are part of it!

We love to share our passion for flowers with everyone: from colleagues to growers. Together, you can achieve more than alone. Together, we form a strong team in which everyone can flourish.

OZ-Hami is part of Dutch Flower Group, one of the largest digital flower trading houses in the world.

## What will you be doing?

In this position, you will be responsible for the correct processing, registration, and delivery of emballage at Royal Flora Holland. You will maintain an overview of the administration and ensure that everything is correct down to the last detail. Specifically, this means that you will:

- Check stacks of emballage for completeness, quality, and correctness in accordance with Royal Flora Holland guidelines;
- Registering the emballage with Royal Flora Holland and processing it in the administrative system;
- Arrange for the transport and distribution of emballage and empty carts within Royal Flora Holland and, if necessary, to other locations.
- Identify and prevent deviations so that no errors occur in the counts or administration;
- Work closely with colleagues in logistics, administration, and transport to ensure that processes run smoothly.

## You have it

- You have a good command of the English language;
- You work very accurately, independently, and are reliable;
- You have an eye for detail and understand the importance of precision in numbers and administration;
- You have experience with logistics processes or container administration, which is an advantage but not a requirement.

## What we offer you

- A full-time position within a fast-growing organization in the floriculture sector, with:
- A salary starting at €2,800 - €2,900, which may increase based on experience, knowledge, and skills;
- Additional remuneration if we perform well;
- Excellent fringe benefits, such as: a pension scheme to which you also contribute each month, 25 vacation days, 8% vacation pay, and the option to participate in a group health insurance plan;
- Gifts throughout the year;
- Opportunities for development through training courses at our own academy + career advancement opportunities;
- Travel allowance of €0.23 per kilometer calculated from the first kilometer.

- An active staff association to get to know your colleagues even better;
- €50.00 on your birthday to buy yourself a nice gift;
- Part of a large international organization that still feels like a family;
- Of course, the most beautiful flowers at a discount.

**Will you be our new colleague?**

Then get in touch and apply now. What exactly does our application process look like? Here's how it works:
